

In-House Paralegal Program
May 17 – 19, 2009
Hyatt Regency, Atlanta, Georgia

The George Washington University Paralegal Studies Master's Degree program and The Association of Corporate Counsel have developed an In-House Paralegal Program that will help you be the best you can be. See the full program schedule at [Discover In-House](#).

What can you expect?

Sessions such as Advanced Technology Transfer, Advanced Legal Research and Writing, Clear and Effective Communications will give you the hard skills you need to be successful and boost your value to your company.

What can your company expect?

By sending you to this program, your company will provide you with the training and education you need to take on critical roles and responsibilities and enhance your ability to perform existing tasks. You'll contribute by increasing the law department's productivity, efficiency, and profitability.

Any way you look at it, it is a winning proposition for you and your company. Take this opportunity for yourself and forward it to a colleague who may be interested. Register today at [Discover In-House](#).
